

# energy\$avers

## Grant Application

The Historic Chicago Bungalow Association's energy\$avers grant program emphasizes weatherizing your home to reduce energy costs, as insulating and air-sealing your home can reduce your annual energy usage by 30%. To stress the importance of weatherizing your bungalow, the HCBA energy\$avers grant program requires an initial energy assessment to determine the most cost effective weatherization improvements for your home. Just three easy steps can bring you closer to energy savings and a more comfortable living environment in your certified bungalow.

1. **Certify your bungalow with the HCBA** (applications available at [www.chicagobungalow.org](http://www.chicagobungalow.org))
2. **Fill out and sign the application form below**
3. **Submit completed and signed application with appropriate attachments**

Upon receiving your application HCBA will have a weatherization contractor contact you to schedule a free energy assessment of your home. Your assigned contractor will submit a completed project proposal to the HCBA for approval. You will receive notification of project approval, in writing, within approximately 15-20 business days. **Work should begin AFTER you have received your project approval letter.**

Name(s) \_\_\_\_\_ Social Security Number(s) \_\_\_\_\_

Bungalow Address: \_\_\_\_\_ City/State: \_\_\_\_\_

Zip Code: \_\_\_\_\_ Telephone #: (\_\_\_\_) \_\_\_\_\_ Bungalow Member Number: \_\_\_\_\_ Ward #: \_\_\_\_\_
